DISGUIDO

CINEMAGIC & VISUALCOMEDY

Isabella and Guido are a couple of fantasists both on stage and in life.

A 50&50 Duo, full time professional entertainers. Two crazy exuberant actors, prize-winners at national and international level.

Disguido's theatre show give us an original and eccentric performance which is uniformly appreciated by international audience in Theatre, Cabaret, Variety, Gala and Corporate Events. Fast-moving and fun, the show is spiced by the power of laughter and the beauty of musical choreography. A mix of illusionism, mime, and cabaret.

The result is a funny performance, a game between actor and audience, "a circular parenthesis in a squared world".
